)
Plaintiff) JUDGE DONALD C. NUGENT
v.)
Agents of and)
CITY OF PARMA,) JURISDICTIONAL CHALLENGE
)
STATE OF OHIO) RESPONSE TO MEMORANDUM
)
Defendant	

Truth is to be self evident, that all men are created equal and endowed by the Creator with rights that no one or government can remove; among these are life, liberty and the pursuit of happiness, your response appeared to attempt to violate my rights.

I, paul, a man, not having legal training am at a complete disadvantage and ask the court to appoint a legal professional, specializing in Constitutional Law to assist me. I do not understand, I see words, and they appear to be in English, however latin phrases and words are used by this court may have different meaning for words used in a response from Judge Nugent dated 5/2/14.

Since the legal profession uses terms, procedures, and words foreign to the common man, as a private man I find it difficult in not impossible to understand the letter therefore request to cease and desist from dismissing this action and I request an interpreter and legal expert pro bono to help me.
